SUPPLEMENT TO AIS BULLETIN #322

The American Iris Society

2002 Symposium

of Tall Bearded Irises

Ballot

Please vote for your favorite 25 Tall Bearded Iris Varieties

All members of the American Iris Society are urged to participate in this ballot in order that we may obtain a wide consensus of the tall bearded iris varieties that grow and bloom best in gardens throughout America. AIS affiliates are invited to vote, in addition to individuals. Mail the completed ballot so that it is received by your RVP by September 1, 2001. Final results will be published as the popularity poll in a future issue of the Bulletin. Please vote!

Attention: *Overseas Members* are invited to vote the Symposium Ballot. Instructions on the following page. See deadline on following page, item #5.

PLEASE VOTE

Please Vote
Sixty-second Official Tall Bearded Iris Symposium
of the American Iris Society
2002

This is your ballot to help determine the One Hundred Favorite Tall Bearded Irises for 2002. The list of candidates was completed by combining the following lists of outstanding varieties:

- The 100 top varieties in last year's Symposium
- The tall bearded irises eligible for 2001 Dykes Medal
- The tall bearded irises eligible for 2001 Wister Medal
- The tall bearded irises eligible for 2001 Awards of Merit
- The tall bearded irises that won 2000 Awards of Merit
- The tall bearded irises that won 2000 Honorable Mentions

Every member of The American Iris Society may participate in this balloting of the irises listed on the following pages. Each member is allowed twenty-five votes. Please follow the instructions below.

1. Vote only for an iris that you have seen blooming in a garden.
2. Clearly place an "X" in front of each of your twenty-five favorites. The second member of a family membership should use an "O" symbol to designate votes. Additional, family or youth members should use a number (1, 2, 3, etc.) in front of each vote to identify it. Each member is entitled to a maximum of twenty-five votes. Since the ballot is designed for easy tabulation by the Regional Vice Presidents, please follow directions carefully.
3. No member may vote for more than twenty-five varieties. You may vote for fewer than twenty-five if you wish. Write-in votes are no longer allowed and will not be tabulated.
4. Your ballot must be mailed to and received by your Regional Vice President by September 1, 2001 in order to be counted. The name of your RVP is listed inside each AIS Bulletin. Sign your ballot and mail it first class. Each RVP now has the option of accepting ballots by email.
5. *Overseas Members* may vote by mailing their ballot to the Symposium Committee Chairman whose name, email, and address appear inside each AIS Bulletin. It is advisable to send by Air Mail to assure receipt of your Ballot by the deadline of September 15, 2001. Email is an acceptable alternative, and a representative in each foreign country can tally that country's votes and send the totals and voters to the Symposium Chair by email or mail.
